

REMARKS

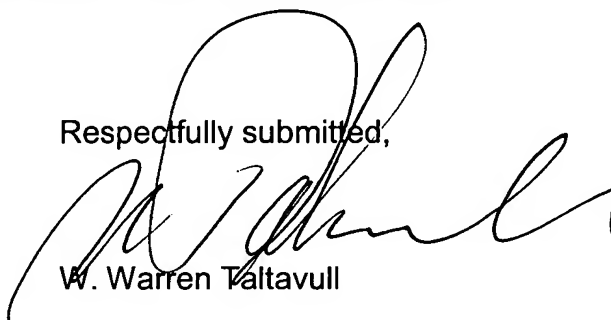

Reconsideration and allowance are respectfully requested.

Independent claim 25 has been amended to include the language of claim 17.

None of the references cited include a stator core comprising the high thermal conductivity components as expressly claimed in currently amended claim 25.

Entry of this amendment is solicited, is believed appropriate, and is believed to distinguish the invention from the cited references. For the foregoing reasons, reconsideration and allowance are believed in order and are solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'W. Warren Taltavull', is written over the typed name.
